## Small Groups at Northlake

Small Groups are returning to Northlake in September!

This fall, the elders are calling us to authentic Christian discipleship.

A church-wide emphasis on "Learning the Way of Jesus" will challenge us to take on the character of Christ, and learn daily what it means to be His disciples.

A revitalized LIFE Groups program will be the key vehicle to allow this vision to become reality. We'll build on our existing LIFE Group structure, but will incorporate a new curriculum aimed at the adoption of a practical, Jesus-oriented lifestyle that carries over into every aspect of our lives. We strongly encourage **every adult member** at Northlake to take part. Some groups will meet at the church building, others in homes; some on Sunday nights, and others on different days and at different times. **There will be a gathering in the Worship Center of all of our small groups on Sun, Sept 11 at 6pm** in which we'll be re-commissioning our existing groups as well as launching several brand new ones.

**So mark your calendars! Plan to get connected, and join us on this exciting spiritual journey!**
