ANGEL TREE

Names Available in the Gallery TODAY

With the holiday season comes a special opportunity for Northlake to participate in the Angel Tree Project, helping to serve and meet the needs of residents at Christian Towers. This year we have 42 residents participating, and names are available in the Gallery along with a sheet of suggested donations.

In place of bringing your gifts to Northlake, we are asking that you deliver donations to residents at Christian Towers by December 15th. Make this a special time by not only delivering donations but by spending time talking and visiting with the person you have chosen to help this season.

If you would like more information about the Angel Tree project, please contact Bob or Joan Cooper. You can reach them by email at jcooper2001@comcast.net.
