## PRAYER REQUESTS & PRAISE REPORTS

**Debbi Caldwell's** brother, *Dale Watkins*, was released from St. Joseph's hospital on Feb 10.

**Holly Duncan** - "NETWorks thanks the Northlake church for its outpouring of assistance in November as we prepared to open our doors in the new Tucker Community Center. So many of you volunteered your time, skills, and resources to make this possible. We especially want to recognize **Lois Pippin** and **Ric Caldwell** for their service above and beyond, and small groups led by the **Reeds, Caldwells, Williams**, and the Wednesday night **Men's Prayer group**. The food items you collected as part of *Serve the City* day were very much appreciated and accounted for a large portion of our starter supply. Since mid-November our food pantry has served over 200 individuals and families with over 5000 pounds of food. Thank you again for your valuable contribution to the NETWorks' ministry."

**Kameron Keith** requests prayers for *Whitney Houston's* family.

**Joe Page** requests prayer for *Jeremy*, a young man who was in Atlanta recently seeking medical treatment.

**Nonni Slagle** continues to weaken but is resting at home in hospice care. She can still enjoy short visits, but please check with the family beforehand.

**Suzann Spivey** requests prayers for *Jerry Haas*, her brother-in-law, who has incurable brain cancer. He will be participating in a clinical trial at Duke. Pray for healing and for his family.

Welcome new member **Marla Williams** and family! Their address is 6325 Lake Valley Point, Lithonia, GA 30058, 334-313-3624.
